Vol. 06 **JANUARY 2006** **No. 1**

Hello Fisherman..
Bryan Siegel

Its that time of the year again to hit the ice and see what we can catch. Hope you all have a safe and enjoyable Ice fishing season this year. With the change in our lineup of elected officials. The two major differences are - Jim Steinman will replace Brett Behm as the Mandan side boat ramp chairman and Dick Fink will be replacing myself as president. I'm sure both of them will do a great job for the club as they have in the past. Congratulations!

Change of Leadership At NDGF Department By Errol Behm

The “New Year” brings change at the North Dakota Game and Fish Department. Director Dean Hildebrand retired at the end of 2005 after a decade of great leadership. Our club has had an outstanding relationship with him over these years and before. We THANK YOU DEAN for all you did. We know we will have many good experiences in the future from programs and decisions Dean made during his tenure. Again, Thanks!!

Just a note for the 2006 Ice Derby to be held Feb. 18th 2006, at Lake Audubon. At press time a complete list of the Raffle prizes was not available yet but look for it towards the end of Jan. Hope to see everyone at the Club's 25th Anniversary Celebration Jan. 12th at the VFW Hall.
So long for now -
Bryan Siegel

We also want to congratulate Terry Steinwand as the New Director of NDGF. Terry has worked closely with our club and other clubs around the state in his previous position as NDGF Fisheries Division Chief. We look forward to Terry's leadership and involvement as we move forward with various issues that affect fishing and our club. We know he will remain very active with an open line of communications. He will continue to promote many of the current activities and institute new ones that will benefit fishing and hunting in the state. Welcome to any of our functions Terry.

Membership, Dues, Newsletter Articles and Sponsorship

The date on the top of your mailing label indicates when your membership renewal is due. If your renewal date has passed or is approaching, please send your dues to P.O. Box 2525, Bismarck, ND 58502. Dues are only \$5.00 per year. Lengthen your membership by paying dues in advanced. I personally challenge each member to (1) bring your dues up to date, (2) sign-up one new member in 2006. With the large number of new folks in the area and the next generation of young anglers coming of age, we would like to welcome everyone into our club. The Reel & Rec needs their energy and their ideas to continue to grow.

The newsletter is our way to share information about club meetings and activities, boat access reports, fishing and camping outings, personal experiences, and stories. Please contribute to the newsletter and share your thoughts. We've all got stories!!! Newsletter sponsorship is a terrific way to support our club and help defray the cost of the newsletter. The cost is \$60.00 per year, prorated after each issue to maintain renewal in January of each year. Please contact Vic (255-1595) or Dick (258-6181)

25th Annual Take a Kid Fishing

Hi Everyone
The New Year is coming upon us, it's time to think about the things we want to do in 2006. With 2005 being the 25th year of the Bis-Man Reel-N-Rec we need to reflect back on the reason we are involved with this great Club. Take A Kid Fishing started one year after the Reel-N-Rec Club, so 2006 is the 25th year for Take A Kid Fishing. And even though it has gone through some rough times in the past few years. Many of us that have given a day to help kids have one of the most memorable times of their lives. It's hard to say though who had a better time, the kids or us.

My point is that saying you are a member of the Bis-Man-Reel-N-Rec means nothing if you can't give a little of yourself to help those that don't have the opportunity, everyday to learn about and enjoy one of the greatest sports in the world.

So this year think about spending some time on June 10, 2006 to celebrate the 25th year of Take A Kid Fishing and help make this the biggest and most rewarding experience of the child's life.

If you would be interested in helping please contact me at Home 222-3683, cell 202-0838 or email me at takf@bis.midco.net
Paul Kuehl
