**VOL. 12**

**JANUARY 2019**

**NO. 2**

Hello fellow anglers:

I hope you all had a wonderful holiday season. I expect everyone is out enjoying the good ice we have this year.

The club had its annual election of officers at our last meeting. Officers will remain the same except that we have a new secretary Sheri Saylor. As of January 1st club dues will be \$15 dollars per year and \$200 for a life time membership.

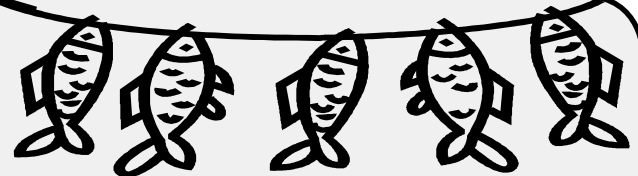

Besides being a member of the Reel and Rec I am also a broad member of the ND Sports Fishing Congress. For those of you that are wondering what is the Sport Fishing Congress it is a committee made up of members from fishing clubs across the state. I encourage you to go to the web site to learn more. The Sport Fishing Congress is working with a lobbyist to increase funding from our state government to help with the education and to battle the spread of Aquatic Nuisance Species in our state. Currently this is costing the Game and Fish \$320,000 per year for education, summer help, enforcement and 1 full time specialist. If we take a look at Minnesota their budget is 9 million and they have 24 full time employees, Montana has a budget of 5.5 million and 14 full time employees. According to a U.S. Department of State study, maintenance of pipes clogged with zebra mussels costs the power Industries up to 60 million a year. The total cost to the United States of the zebra mussel invasion was estimated at 3.1 billion. The state has 14 bodies of water that currently have ANS, being unwanted vegetation or other non-native species. So as a group people that enjoy our natural resources we need to get out there let people know we need to act now.

**Don Schick, President**

## CABIN FEVER 2019

The Bis-Man Reel and Rec clubs annual “Cabin Fever Social” will take place this March 2nd, 2019 at the Mandan Moose. The Social will start at 6:00 PM, and the Dinner Served between 7:15 and 7:30. On the menu will be your choice of either “Prime Rib or Chicken Breast/Mushroom Gravy Dinner.” Also included in this mailing will be tickets for purchase to the event. Children are welcome, and will have a choice of purchasing an adult meal, or be served a children’s chicken strip dinner. The club will gather the tab for the children’s chicken strip dinner. There will be numerous raffle items too. Thanks for your support.

## PROTECT NORTH DAKOTA WATERS from Aquatic Nuisance Species

Aquatic nuisance species are nonnative plants and animals that threaten fishing, boating, swimming and other water-based activities. North Dakota has carefully crafted regulations to help prevent the introduction and spread of ANS.

### Summary of North Dakota Laws

- Remove all aquatic plants and organisms from equipment (such as boats, decks, commercial equipment) before leaving a water access.
- Drain all water.
- Keep plugs pulled during watercraft transport.
- Transport bait in 5 gallons of water or less.
- Drain bait water when leaving ANS infested waters.

In addition, it is highly recommended that boaters dry their boats, or power wash with hot water, between uses.

For more information on ANS and regulations, visit [nd.gov/ans](http://nd.gov/ans)
