VOL. 12

JANUARY 2017

NO. 2

WELCOME TO 2017;

I don't know about you, but I'm tired of snow already. I guess there is a bright side to look at, we should have good ice. The clubs annual ice derby will be held February 18th at the Totten Trail boat ramp. Fishing will be from 10am till 2pm as usual. Registration and breakfast starts at 7am at the Totten Trail. Cash prizes and raffle will start around 3pm at the Totten Trail.

The club held it's annual election of officers in December, it's sad to say we had just enough people to have a meeting let alone election of officers. The club is in need of a secretary. It would be really nice if a few more people would step up and give us a hand. Everyone likes to fish tournaments but they just don't run themselves. I'm not saying if you come to a meeting or volunteer you will be the new chair person of an event. Ok i need to get of my soap box.

The club will be selling gun raffle tickets again this year. Thanks to those that have bought them in the past, each year keeps getting better. Keep it up.

I do need to say THANK YOU to all our club members for making BISMAR Reel and Rec one of the best fishing clubs in the state.

See You on the Ice,

Don

MEMBERS PASSING

Vic Gibbons died February 26, he was 85. Vic had been an active member of the Club since the mid 80's and served as treasurer for 22 years, from 1994 to 2015. Vic attended just about every event as cashier along with his best friend and wife Gladys.

Dave Bement died June 16, he was 73. Dave had also been an active member since the 80's, serving on all of the available committees. He was a board member for many years, most notably Burleigh County Boat Ramp Chairman.

Jim Nagel died November 5, he was 68. Jim joined the Club shortly after its inception and was most helpful in all aspects. He was a past president and board member. Thanks to Jean Weatherly, Rhonda, Randy & Ryan and Indianhead Food Service Distributor for the Memorial for Jim to our club. We greatly appreciated it.

Richard Iverson died December 5, he was 90. Most of you will remember him from the Lake Audubon Ice Derby. He was a very active member and directed many events always appearing with a smile, as was his nature.

These gentlemen shared so many things in common, most obvious being their love of camping, fishing, & fellowship. They leave a legacy of volunteerism, whether for our Club or for our sister Clubs the Sport Fishing Congress and Lure-em-for-Life. May they rest in peace.

Dick Fink

PROTECT NORTH DAKOTA WATERS from Aquatic Nuisance Species

Clean - Drain - Dry

Zebra mussels from the Red River

Aquatic nuisance species are nonnative plants and animals that threaten fishing, boating, swimming and other water-based activities. North Dakota has carefully crafted regulations to help prevent the introduction and spread of ANS.

Summary of North Dakota Laws

- Remove all aquatic plants and organisms from equipment (such as boats, decks, commercial equipment) before leaving a water access.
- Drain all water.
- Keep plugs pulled during watercraft transport.
- Transport bait in 5 gallons of water or less.
- Drain bait water when leaving ANS infested waters.

In addition, it is highly recommended that boaters dry their boats, or power wash with hot water, between uses.

For more information on ANS and regulations, visit gnd.gov/ans
