NO. 2

Another busy spring in the books. The Spring Derby and Kids Day had good turnouts. Thank you to the volunteers that helped with these events. We were a little short on help but we made it work with the help of family and friends. Just to give you an idea of how short of help we were at kids day, about 60 kids showed up for the event and we only had 5 club members and one boat.

With the recent discovery of Zebra Mussels in lake Ashtabula it is very important as club members to spread the word and follow the rules set by the game and fish. It was a hard battle to get the funding for ANS awareness but I still feel that more needs to be done to prevent the spread of ANS. Hope to see you at a meeting sometime and have a good rest of the summer.

PROTECT NORTH DAKOTA WATERS from Aquatic Nuisance Species

Clean – Drain – Dry

Zebra mussels from the Red River

Aquatic nuisance species are nonnative plants and animals that threaten fishing, boating, swimming and other water-based activities. North Dakota has carefully crafted regulations to help prevent the introduction and spread of ANS.

Summary of North Dakota Laws

- Remove all aquatic plants and organisms from equipment (such as boats, decoys, commercial equipment) before leaving a water access.
- Drain all water.
- Keep plugs pulled during watercraft transport.
- Transport bait in 5 gallons of water or less.
- Drain bait water when leaving ANS infested waters.

In addition, it is highly recommended that boaters dry their boats, or power wash with hot water, between uses.

Take a Kid Fishing

Hello club members,

We had a great 38th Annual "Take a Kid Fishing" event on June 1st at Sweet Briar Lake. The weather was beautiful with the sun shining and a light breeze. Kids enjoyed a fun day of fishing, boat rides, painting, and games. Our volunteers provided another great lunch for everybody as well. Many kids expressed their joy and interest in coming back next year!

We would like to show our appreciation to the volunteers who helped from the club. This event would not be possible without the dedicated volunteers who help before, during, and afterwards to make Kids Day as successful as possible. Specifically, thank you to Don Schick for bringing his boat to the lake to give the kids a unique and memorable experience. Please consider volunteering your time or bringing your child to next year's 39th annual event; we hope to see you there!

38th Annual Fish Fry

The Fish Fry was a huge success this year even with the weather conditions chiller than normal. I would like to say, "Thank you for all who assisted with the Fish Fry from donating fish to preparing to clean up." Without volunteers this would not happen. I would like to send out a huge "Thank You to the Stolz's" for setting up the shelter to frying that famous fish and allowing us to savory their secret recipe.

Thank you,
Sheri

38th Annual Spring Walleye Derby

Another successful Spring Walleye Derby unfortunately a day later than normal, I really need to speak to Mother Nature for future Derby's. I would like to "Thank all my Volunteers that assisted with the day's activities. I couldn't do it without all of you.

Congratulations to the Winners of the Derby
