At our last meeting: President Mark Stenger began the meeting by having Brett give us another update on the Muskie stocking project we're doing for Many Point Lake. 566 fish were stocked, including a 40 incher that surprisingly survived a few years in the hatchery pond. We might have more details to share at the December meeting regarding the actual sizes of the fish that were put in, and what the cost was to our Chapter.

We are exploring different avenues relating to the sales of the Al Skaar/Gil Hamm print. Sales have not met what was anticipated, and we're looking into what other options are available. If you have any ideas, please share them with a member of the F-M Board.

I gave a short summary about my trip to attend the Vikingland Chapter's November meeting. Jerry Wendlandt had a lot of interesting facts to share, and I passed that information along to our members. We had a discussion about the fact that it is now illegal to transport live fish across State lines. We also talked about bait shops NOT selling Suckers that are more than 12 inches in length. There seems to be a technicality about what classification the fish falls into. Apparently a Sucker is considered a Minnow until it reaches 12 inches in size. After that, it's considered a Rough fish, and cannot legally be sold. At least that's what I think the problem is. Henry Drewes will be at the December meeting, and I'm sure he'll be asked about this situation.

Jim Wolters gave us a short update on some local news, and about some of the Muskie stocking being done. He mentioned that 200 fingerlings were recently put into Beers Lake, and over 2300 Muskies in various sizes were put into West Battle Lake. He said a Muskie study is going to be done on West Battle Lake this spring, but I can't recall the actual details of what they'll be looking for. I'm sure we'll hear more about it later. Pelican Lake has documented natural reproduction, as Jim mentions that on three occasions they have found fish from non-stocked years. That's good to hear.

There is still talk about a gathering of the Minnesota Chapters of Muskies Inc. The when and where have yet to be decided, but our Chapter feels that this would be great for camaraderie. We'll learn more over the Winter, and pass along the details.

Our Chapter will be doing another collage for Muskie magazine this year. I'd like you to send me pictures of 50-inch fish, 1<sup>st</sup> Muskies caught, or Youth member photos. Please limit them to one photo per person, and put a Post-it note on the back stating the member's name and the length of the fish. Thanks.

At the next meeting: See the next page for a list of this month's meeting activities. We may also have an update on the Many Point stocking if time permits. Be sure to make it to the December meeting.

## President's Message

No report from the President this month.

Mark Stenger Pres. 02

## Upcoming Events:

## auction. Thanks.

**December 18**- This is the "Mother" of all meetings. Do all you can to make it to the December meeting, as it's our largest, and most important meeting of the year. We have a whole bunch of things planned. If you only make it to one meeting per year, it should be this one. (Of course we hope to see you at ALL the meetings). ©

We will have our election of officers; the kind souls who'll be running our Chapter next year. We'll have our annual Chili feed. We'll have speakers from the North Dakota and Minnesota Departments of natural resources. We will have our Tackle auction, which is a fundraiser for our Chapter, and we'll also pass out the tickets to sell for our annual fundraising Banquet. Each member is encouraged to take and do your best to sell at least 5 tickets. Don't forget that this meeting has an earlier start, at 6:30pm.

DO NOT MISS THIS MEETING!

<u>Please check your tackle boxes and</u> <u>bring any, and as many old lures as</u> you can for our tackle

## <u>Notice</u>

Extra Muskies Inc. 2007 calendars are available if anyone would like one. I can even mail one to you if you would like. They're \$10.00 and there's no shipping fee.
