At our last meeting: President Brian Grote brought the meeting to order.

Brian will be making the clothing order soon, so be sure to check with him at an upcoming meeting if you placed an order. The newly designed F-M Chapter sweatshirts looked very nice.

For years of service to the North Dakota Sportfishing Congress, Chapter member Paul Haug received special recognition. Congratulations Paul.

Bob Collins talked about an event in the works regarding taking senior citizens out fishing. We'll have more info on that later.

Loren Crawford reported that the city of Detroit Lakes is planning on putting the Public Access back in on the north side of the lake. It could be ready by this fall, but may not be usable until next year.

Kathy Sloan mentioned that applications are going to be sent out in July for the NWTFF Women's outing. It may be even bigger than in the past, so please mark the date on your calendars.

Mark Stenger made a Motion that our Chapter supplies the food for the League event planned on Saturday at West Battle Lake, and it was seconded and passed.

Brett also talked about our Chapter's trip to Lake of the Woods, which is planned for July 30-August 3. We'll be staying at Pine Island again, which is offering the same rate as in the past, of \$50.00 per night with NO dock fees. We will probably leave Fargo around 6am on the 30th, and everyone can follow each other like we did with the Sturgeon trip. Please contact Brett or Brian for more information or to sign up.

Note: I was unable to attend last month's meeting, thus some of this information may be slightly incorrect. I apologize in advance for any errors. Thanks.

Brad

At The Next Meeting

We'll have our first "Summer Roundtable" discussion, and talk about opening weekend. A few very nice fish were caught opening weekend, and we feature a couple of them on this month's back cover. Come find out the details about those and other fish caught at our June monthly meeting.

We'd like to post a monthly photo in the newsletter of anything Muskie fishing related. The photo can be of a person with a fish, a sunset, or similar subjects. Please e-mail the photo to me at bradwaldera@yahoo.com. Photos of our Junior members with their catches are strongly encouraged. Thanks.
