President's Comments...

Fellow Members,

Another Pelican Classic Tournament is in the history books with quality numbers and size of walleyes caught and released, thanks to all anglers who took part in this event. Without our two tournaments, we would not be able to support many of the requests we receive each year from State and youth organizations. I also want to thank the tournament staff, Fair Hills resort, and mostly, you the volunteers.

FM Walleye members so far this spring have participated in taking a Vet fishing at Big Cormorant and Take a Kid fishing at White Earth. Past President Ron Sahr has laid the ground work for take a Vet fishing and each year the number of club members and Vets continues to rise. Our own Mike Miller and his Lady have done a outstanding job with the Take a Kid fishing event. Board members Steve Hall, Ed Liberta and Barry Chouinard took part in taking kids out in the water. It's far better to give, than to receive, yet ask any member, and I am sure they will tell you that they received much.

Thank You for your continued support of FM Walleyes Unlimited Inc!

Steve Garten, President

MAY 16TH CLUB OUTING UPDATE LAKE TRAVERSE, BROWNS VALLEY, MN

By Steve Hall

Well, another club outing down on the books, and for a one day outing, I have to say, everything went very well. We ran out of Holicky's Resort on the South Dakota side due to the wet conditions. Saturday night we enjoyed brats and chips, cooked for us by the Walleye Club from South Dakota. Nice group of people, good food and lots of information exchanged!

The fish we caught were nice, so if you want to catch your next trophy fish, this is the spot! Pitching crank baits or using jigs with good ol' white tail twister tails, or just put them out behind the boat and drive around – that works too.

Rumor has it that Scott Stillwell and Guy Kimball got in this one spot and in seven casts they had over eighteen pounds of walleye – pitching cranks. Not bad, you don't have to be a teacher to do that math! The Brian Fitch boat was another hot one or some might even call it skilled, but it was Brianna who put the big walleye in that boat – 6.6 lbs. Way to go Brianna!!!! And here are the outing results:

JUNIOR DIVISION RESULT ADULT DIVISION RESULTS

1st Brianna Fitch 6.6 lbs.

1st Brian Fitch 8.26 lbs – (3)

2nd Derion Baker 3.14 lbs.

3rd Blake Meyer 2.78 lbs.

2nd Scott Stillwell 6.88 lbs. (1)

3rd Guy Kimball 6.62 lbs. – (1)

Don't forget our next Club Outing on June 20th and 21st, Graham's Island State Park on Devils Lake, ND, 7:30 a.m. to 3 p.m. both days. Camping reservations at (800) 807-4723.

*Participation is not mandatory, but if you choose to, a \$5 big fish pot will be up for the taking both days. You must let me know if you are participating and you have to be loaded up (or in the process) by 3p.m. each day to be eligible for the pot.

Any questions about the Club Outings, please call Steve Hall @ 701-261-4379.

May 2009 Club Meeting: Lake Winnipeg Ice Fishing Excursion Recap

The May club meeting found FM Walleye club members leaving the beautiful spring weather to meet at the Doublewood Inn to hear about the legislative issues affecting Minnesota anglers and ice fishing on Lake Winnipeg.

Barry Chouinard provided a legislative update on issues affecting FM Walleyes club members. Barry is a participating member of the Walleye Advisory Committee. He represents the voice of FM Walleyes Unlimited, Inc. to the group. Several items shared at the meeting included:

- o The development in progress of a strategic plan to guide the walleye stocking program in Minnesota through the year 2015.
- o Lakes that are stocked by the MN DNR typically receive quantities based on the number of littoral acres. 1 lb of fingerlings per littoral acre is the standard.
- o The Minnesota budget deficit will have an effect on the DNR fisheries. Currently, 18 positions are being held empty with an additional 25-30 more expected to be vacated and not replaced. This will mean that many of the tasks performed by DNR staff will now fall on citizen groups.
- o The MN Walleye Stamp is an outgrowth of the challenging budget situation. Funds from the sale of this walleye stamp are dedicated to the walleye stocking program. Barry will also serve on a 5 member citizen's oversight committee that assures that walleye stamp funds are spent on qualified activities. MN Walleye Stamps can be purchased at the time you buy your license or at any time afterward from a Minnesota Fishing License vendor.
- o In the last session of the Minnesota legislature HB1132 passed the House of Representatives and is now currently in conference committee. This bill would allow anglers to use two lines in Minnesota.
- o Plans are in the works to update the west access on Big Cormorant Lake. The Minnesota DNR Trails and Waterways manage public lake access statewide and will be in charge of the updates.

Following Barry's update Steve Hall, Dave Randash, Scott Brewer and Kyle Agre shared a video of pictures taken on the recent FM Walleyes Lake Winnipeg Walleye Excursion. This was just what was needed to catch the attention of those in attendance. The number of trophy walleyes taken on this trip was amazing, and seeing the pictures made everyone want to get their augers back out again. (Well, almost) Following the video the panel shared some information about the Selkirk, Manitoba area, Lake Winnipeg, fishing tips and strategies as well as a few stories from this year's trip.

Fishing Lake Winnipeg walleyes is unlike most other ice fishing experiences. Taking a trip with other anglers from FM Walleyes and joining those from Winnipeg Anglers Association of Manitoba provided the perfect opportunity to learn about this incredible fishery and meet some new friends. A return trip is in the works for March of 2010. Be on the lookout for further information as that time approaches in the Walleye Lines and at club meetings. This is a trip for novice and expert ice anglers alike. We hope to see you on the ice in 2010!

Pelican Spring Classic Tournaments

By Lisa Gibson

As the sun started to peek over the trees, the first fishing team entered the west access of Pelican Lake to start off the Spring Classic. It was a cool morning with a light breeze on land, but on the water was very chilling. The teams darned themselves with wind resistance bibs & jackets, sweatshirts and caps. The day would prove to be challenging as the wind would continue to increase, and changing weather patterns would move into the lake area effecting the fishing over the tournament's duration.

This year's Pelican Spring Classic Tournament was record setting. The combination of average size fish and the total number of fish caught resulted in 1405 lbs of fish crossing the scales, surpassing previous tournaments dating back to 1995. The average sized fish was 1.91 pounds which is the 5th overall in terms of the size of each fish. With 737 fish caught, it seemed this year's tournament would be one for the record books.

On top of the leader board for the first day were teams; Ken Weiss/Brad Weiss 17.95 lbs, Dale Gnoinsky/Scott Rieber 17.28, Dave Tufte/Tony Stetz 17.01, Ron Wagner/Wayne Johnson 14.88, and Jamie Kinslow/Kim Kinslow 14.80.

Day two proved to be a bit more challenging in finding the fish, however, the winning team of Dave Tufte and Tony Stetz prevailed with a 29.47 lbs combined weight, which is the 5th highest weight in tournament history. This win would earn the team a \$2,200 pay check. Closely following the team of Tufte/Stetz were Jamie Kinslow/Kim Kinslow, 28.91lbs. and \$1,400; Ron Wagner/Wayne Johnson 28.04 lbs and \$1015; Fred Sanchez/Chris Roehl 27.77 lbs and \$925; and Ken Weiss/Brad Weiss 27.04 lbs. and \$825. Big fish awards went to teams; Ken Wiess/Brad Weiss with an 8.78 lb fish; Rod Ambuehl/Matt Morrissey with a 7.10 lb fish; & Jon Wisner/Rob Bahr with a 6.34 pound fish. Team 103 Jake Nelson/Josh Jensen started the tournament with sponsor J&K Marine replacing the water pump delaying their start by two hours. They brought in the second biggest basket on day two to finish in the money at 13th place. Thank you Tim Sweeney for being on site to keep the competitors equipment up to the task!

One of the team partners, Ron Wagner said, "I have been participating in this tournament for 4 to 5 years now, and it's a well run tournament. I am looking forward to the Fall Classic in September on Big Cormorant Lake." We hope to see you all out the YMCA camp this fall for what we hope will be another record breaking tournament. Following the Fall Classic FM Walleyes will award the season points champion a boat-motor-trailer combination.

Thank you to all the hard working volunteers that help make the event a success. FM Walleyes Classic Tournaments is sponsored by Scheels All Sports, Ray's Sport and Marine, Lund Boats, Berg Auto Supply, Bartness Fishing Rods, Shorelander Trailers, Crystal Pierz Marine, J&K Marine, Moorhead Marine, Hoot's Sports, Sportsman's Warehouse, Vision Bank and State Bank and Trust.

RAFFLE SPONSORS

By Scott Brewer

I would like to take a minute and thank all the businesses who provide us with discounted merchandise to be used for fundraising through our raffle programs. With their help, we have been able to generate thousands of dollars. These funds are used to pay for such things as speakers for the monthly meetings and for the FM Walleye University youth education program. Raffle sponsors include- Scheels All Sports, Pure Fishing (Berkley, Fenwick, Abu Garcia, and Ect.), Sportsman's Warehouse, FLW, Tom Backer Guide Service, Chuck DeRemer Custom Rods, Coleman, Fargo Force, and Jason Mitchell Rods. These, along with new sponsors Rapala and Salmo, have done a lot for our club during the past year or two. Please help me in thanking these companies by giving them some of our business.

TAKE A VET FISHING

by Ron Sahr

On June 3rd Approximately 20 F-M Walleyes Unlimited, Inc. members along with members of the local Muskie Club volunteered their time and boats to take 31 Veterans out for a afternoon of fishing. Everyone met at Camp Cormorant on Big Cormorant Lake, the weather was fantastic. The fishing was about average with a few nice Walleyes, Northerns and Bass caught.

Over the past 5 years F-M Walleyes Unlimited, Inc. has given over 300 hours to this great event and hope to continue giving many more. It is an honor to take few of our Veterans out for a few laughs, great stories, and of course fishing. This is a feel good event for all the volunteers. Seeing all the smiles on the Vets faces as they bring in a fish or receive a door prize (every Vet received one) makes all of us feel good.

The evening was topped off with a barbeque, many nice gifts and cash given to the Vets. All of this was paid for by the YMCA. This was a very special evening for our members and the Veterans. The Vets appreciated the efforts of FM Walleyes, The Local Muskie Club and the YMCA. The Smiles said it all!

“WHAT THESE GREAT VETERANS HAVE GIVEN TO OUR COUNTRY WILL NEVER BE FORGOTTEN”

A Big Thank You to all the volunteers!

F-M WALLEYES CLUB OUTING #3 DEVILS LAKE, ND JUNE 20 & 21, 2009

By Guy Kimball

Great weather , great weather two days in a row on monstrous Devils Lake. All the boats that participated went wherever they wanted all day long with just the right amount of chop on the water, 'cause from our experience if Devils is flat as a pancake you might as well stay at Graham's Island State Park and bird watch for the day. (Nothing against bird watching)

The word must have been out that the "bite was on" because we were greeted by about 200-250 vehicles w/trailers at the access parked 4 rows deep on the grass field, besides the huge (by Minnesota standards) permanent asphalt parking area.

Water temperature was around 68 degrees unless one found a back water bay where the temperature may have bumped up a couple of degrees, which historically means a bigger fish spot. Most boats headed to Pelican Lake, our boat was pointed towards the Minnewauken Flats area.

Results were mixed for the 2 days; some people did better on Saturday (right Brian D!) and some people did better on Sunday (right Brian F!). Either way the ticket was pretty much tie up to a tree, use leeches with slip bobbers and fish is 6 feet of water or less for your 5 fish limit. The fish are healthy as ever as we can attest to by looking at all the bright, orange fresh water shrimp that covered the bottom of our boat after flipping in a 17" Walleye that spit out a belly full of the crustaceans. Yuk! Yet another method for a successful weekend was pitch'in #5 Shad Raps on the gravel bars and sand grass scattered around the shoreline and rip-rap areas. By the way some large northern in the 7-9lb class were also boated.

DEVILS LAKE CLUB OUTING CONTINUED

Next Club Outing: Star Lake near Dent, MN. See ya there....

Remember... Catch and Release or in the Grease!

**THE RESULTS FOR THE EVENT ARE AS FOLLOWS
(3 BIGGEST FISH IN 2 DAYS):**

ADULTS

- 1) Steve Hall 8.24 lbs
- 2) Guy Kimbell 6.54 lbs
- 3) Brian Fitch 5.96 lbs

JUNIORS

- 1) Emma Gangelhoff 10.36 lbs
- 2) Blake Meyer 5.84 lbs
- 3) Brianna Fitch 5.80 lbs

FM Walleyes University – Youth Boating Safety Class

The summer 2009 FM Walleyes University session will focus on boating safety. This session will be based on the North Dakota Game & Fish Department “Boat North Dakota” program. Open to youth of any age, we will cover the basics of responsible boating. Attendees age 12 and older may use the information covered in class along with the booklet provided to study for the Boating Certification Exam to attain the North Dakota Boating Safety Education Certificate. This certificate permits youth age 12-15 to operate of a motorized watercraft. The class is scheduled for Tuesday, July 28th @ the Country Inn & Suites of Fargo from 5:30 to 8:30 p.m..

Topics covered during this class include:

- o Know Your Boat
- o Before You Get Underway
- o Operating Your Boat ... Safely
- o The Legal Requirements of Boating
- o Boating Emergencies ... What To Do
- o Enjoying Water Sports With Your Boat

Space in this class is limited to 18. To for information, or to register, call Kyle Agre @ 701-429-1242 or e-mail to: kyle.agre@gmail.com.

NEW ADVERTISER - Town & Country Credit Union

FM Walleyes Unlimited welcomes a new advertiser, Town and Country Credit Union! TCCU has been in business since January of 1939 and was located in the Farmers Union Elevator, Minot, North Dakota. The seven Board Directors wanted a community based financial institution that had patrons as the owner of the company. Starting out with a savings base of \$360 and loans of \$60, TCCU has grown to a current asset portfolio of \$202,000,000.

TCCU merged with Kenmare Community Credit union in 1989 and with FM Community Credit Union in Fargo in 1993. They currently have 8 branches, 3 in Fargo and 1 in West Fargo and employ 103 people. TCCU specializes in Vehicle Loans. Real Estate loans, Ag Loans, Commercial Loans, Personal Loans, Home Equity Loans and our favorite, Recreational Vehicle Loans.

Patty Pretzer, VP of Marketing, has been with TCCU for 23 years and started her career when there were only 15 employees. Patty feels technology has changed banking dramatically over the past several years with electronic bill paying, e-statement and debit cards growing the most. Credit Unions differ from banks in the fact that Credit Unions are owned by the members versus stockholders and the Board of Directors service voluntarily. Patty enjoys getting out to the communities TCCU serves and meeting the members and TCCU employees. Patty is proud they have just received an extension of their Insurance of Deposit, \$250,000 maximum until the year 2013. According to Patty, the current financial condition of many financial institutions is not reflected in TCCU and they continue with “Business as usual”.

Good news for our club members, TCCU currently has boat loans starting at 4.95% interest for up to 60 months!

BOARD MEETING MINUTES-TUESDAY, May 19, 2009 @ Doublewood Inn, Fargo ND

-Meeting was called to order @ 7pm by President Steve Garten.

Absent board members: Steve Meyer.

General members attending: Ron Sahr.

-April's board meeting minutes were lost.

-Financial Report by Barry Chouinard. Current balance is \$34,545.75. List of cash transactions was given out to be reviewed. Motion to approve transactions was made by Brian Dahlin, second by Kyle Agre. Motion passed.

-Current Members: 343 (Paid 247) - April General Meeting attendance: 108

OLD BUSINESS:

-Take A Vet Fishing, Ron Sahr. The YMCA will again be hosting the event. This will be held on June 3rd starting @ 3.30 at the Y-Camp on Big Cormorant Lake. Volunteers with boats are needed. Contact Ron if you are able to help out. Volunteers should show up around 2 to 2.30 at the access by the old Buckhorn on the north side of the lake. The Y will provide a BBQ meal for all in attendance.

-Speakers, Ed Liberda. We still need a Angler's Night speaker for 2010. For the September meeting we are talking to Ed Carlson, who would talk about fishing the Red River.

-Advertisers/Tournament Sponsors, Don Marty. Don reported that a few of our past sponsors are not able to participate this year, but we have picked up some brand new sponsors. Don is very close to his projected annual goal for 2009. Good work Don!

-FM Walleyes University, Kyle Agre. Kyle presented his projected 2009-2010 budget. Scott Brewer made a motion to approve, second by Don Marty. All in favor, motion passed.

-This month's meeting. FM Walleye Member Panel, consisting of Steve Hall, Dave Randash, Scott Brewer & Kyle Agre, will speak about the Winnipeg Ice Fishing Trip that some of the club members participated in. Scott mentioned that the raffles are all set for this meeting.

-Donation request, Steve Garten. Boy Scouts have requested that we donate \$1,250 to operate & maintain the boats & motors at Camp Wilderness this year. A motion was made by Don Marty, second by Barry Chouinard. All in favor, motion passed.

-Pelican Tournament, Barry Chouinard. Current entries are at 101. Prize give-aways will be coming back. Jean Nygaard has agreed to handle this part of the event. Current volunteers are at 9 (it would be great to have 12). Set up will begin on Thursday @ noon.

-AYA Tournament, Barry Chouinard. This will be held on July 11th at Devils Lake. The board has decided to have a June Board Meeting to focus on the event. We will discuss more about the event at that time.

NEW BUSINESS:

-Raffle Budget, Scott Brewer. 2008 budget recap presented. 2009 proposed budget also presented. Barry made a motion to approve 2008 and 2009 raffle budgets. Gary Sauvageau seconded. Discussion. All in favor motion passed.

-Budgets. Steve Garten asked that all committee heads have there 2009 budgets in by next board meeting.

-Steve Hall received call from member regarding information on a new net that he's designed. The guy would like to show these at this month's meeting. Discussion will follow.

-Donation/Grant Request, Steve Garten. (1) Received grant request from Northern Lights Boy Scouts Council in the amount of \$1,250 to operate and maintain a boat and motor at Camp Wilderness. Discussion. Motion to approve contribution of \$1,250 to Northern Lights Boy Scouts made by Steve Meyer. Second by Scott Brewer. All in favor and motion passed...(2) Then Fergus Falls DNR Fisheries Rearing Ponds is requesting \$800 to sponsor 4 ponds (non-reservation lakes). Motion made by Barry to grant this donation. Discussion followed. Motion seconded by Steve Hall. Vote taken and all in favor, motion passed.

-Visitor, Steve Goldade. Brought request for donation from our club to the Liudahl Family Endowment, Scholarship Fund. Steve Goldade explained what the Liudahl family is doing and what their goals are. Discussion followed. Motion made by Ed Liberda to table this discussion for now until we have time to do more research and then to reconsider this by September. Second Steve Meyer. More discussion. Motion amended by Scott Brewer to review this in June not September 2009. Second by Steve Meyer. Amended motion voted on, all in favor and motion passed.

-Committee assignments. Currently all committee assignments will stand.

-Review of the year of 2008 for the club, Steve Garten. Good year, good board in place and we are all looking forward to an even better 2009. Thinking forward, we all need to look for areas of improvement.

ROUND TABLE:

Steve Garten... Brian Dahlin, editor, needs to get the articles & submission for the next edition as soon as possible so that he is able to meet the deadlines so that the paper can get out to the general membership earlier each month.

Ed Liberda... Lake Tracks developer has contacted Ed regarding possible doing a presentation on his new product. We did have him at our meeting a couple years ago. Discussion followed & it was decided that Ed would get more information about this & bring it to the board as soon as he can.

Brian Dahlin... Walleye Lines is currently half advertising, so Brian was wondering if we should look into expanding the publication. Discussion. Brian will look into the exact costs that would be incurred. We will look at it again after projected costs are explored.

Scott Brewer... New hats & shirts are coming (2-3 new styles). Mentioned that he heard Barry Chouinard on KFGO radio on Saturday, May 16th. Barry did a great job promoting our club & events. Scott brought the 2010 FM Walleye Custom Rod/Reel Combo for all to see. Chuck DeRemer did a super job on the rod. Thanks Chuck!

Barry Chouinard... On April 28th, Barry attended the Minnesota Walleye Advisory Meeting. He updated us on the items that they covered. He will also speak at the May General Membership Meeting to bring information to the whole club.

Steve Hall... June Club outing will be on June 20 & 21 at Devils Lake (Graham's Island).

Don Marty... Thank you notes will be sent out to all Angler's Night Sponsors.

Ron Sahr... Thanks to the current board of FM Walleyes. He wanted us to know that in his option this is the best board of directors that this club's ever had.

-Motion to adjourn meeting @ 8.25pm by Kyle Agre, second by Gary Sauvageau. All in favor. Meeting adjourned.

The next board meeting will be in June (date, time & place yet to be determined). We encourage general members to attend any or all board meetings.

Respectfully submitted by Tami Stillwell, Recording Secretary
