

## **Legislation Summary for the week of Feb. 12-16, 2007**

The week of Feb 12-16 was spent following bill that were being discussed in the House and Senate Chambers. There weren't any bills to be heard in committee so I spent my time in front of the computers following the bills that we being presented. We are living in an age of new technology and the sessions of the both Chambers can be viewed over the internet. Website: <http://www.legis.nd.gov/>. Click on 'Floors Session' in lower right hand corner; this will take you to the 2007 Daily Session: Audio/Video site. In the middle part of the site, you can either listen to the session or view it over the video. It really is a neat site.
