

## Legislation Summary for the week of March 7-11, 2005

Week nine has been busy. Tuesday mornings during this legislative session, we will meet at the Game & Fish office at 10:00 AM and go over the bills that have been will be worked on in committee or voted during this week's session.

**SB 2338** – (Sens. Traynor, Tollefson, Wardner; Reps. Nelson, Porter) - Would establish a management plan for prevention and control of aquatic nuisance species. **On March 10, 2005, House - Do-Pass, Yeas 88 Nays 2 – Sent back to Senate with amendment.**

**SB 2369** – (Sens. Heitkamp, Lyson, Tollefson; Reps. Amerman, Nelson, Wall) - Would amend the North Dakota Century Code by creating a nonresident 10-day fishing license for \$25. **The bill was amended; seven day non-resident license was deleted and replaced with the ten day non-resident license. On March 7, 2005, House of Representatives, Do-Pass, Yeas 89, Nays 2**

**SB 2041** – Relating to hunting on Indian land, and relating to transportation of game and fish taken on Indian lands. HNRC heard on Mar 4, 05 at 9:00 AM in the Pioneer Room. HNRC will be working on this bill this coming week. I have met with various Representatives and Senators, by doing so I feel that we should take a neutral position on this bill.

**SCR 4026** – (Sens. Warner, Freborg, Lyson; Reps. Charging, Onstad) A concurrent resolution urging Congress to enact legislation to address the adverse economic impact on businesses and the economic health of North Dakota caused by the low water levels of the federally managed reservoirs on the Missouri River in North Dakota. **On March 10, 2005, 3:30 PM, HNR- Do-Pass, Yeas 13, Nays 0**

**HCR 3019** – (Reps. Froelich, Brandenburg, Kerzman, Kretschmar; Sens. Erbele, Krauter)- A concurrent resolution urging the United States Army Corps of Engineers to retain sufficient water in the upper portion of Lake Oahe to ensure a stable water supply for the residents of water in the upper portion of Lake Oahe to ensure a stable water supply for the residents of the Standing Rock Indian Reservation and surrounding communities and urging the Governor and the Attorney General to take appropriate action to ensure federal officials retain sufficient water in the upper portion of Lake Oahe to protect the health and well-being of the citizens of the area. **On March 10, 2005, 11:45 AM, SNR – Do- pass, Yeas 6, Nays 0**

**HCR 3026** – (Reps. Onstad, Delzer, Drovdal; Sens. Heitkamp, Lyson) - A concurrent resolution urging the United States Army Corps of Engineers to maintain the level of Lake Sakakawea at a minimum elevation of 1,825 feet mean sea level. **On March 11, 2005, 9:00 AM, SNR heard hear in the Fort Lincoln Room.**

**HCR 3027** – (Reps. S. Meyer, Haas, Kerzman, Onstad; Sens. Krauter, Wardner) A concurrent resolution urging the United States Army Corps of Engineers to retain sufficient water in the upper portion of Lake Sakakawea to ensure a stable water supply for the Southwest Pipeline Project and the 26 communities and 3,000 farms and ranches that receive water from the Southwest Pipeline Project and urging the Governor and the Attorney General to take appropriate action to ensure federal officials retain sufficient water in Lake Sakakawea to protect the health and well-being of the citizens of southwest North Dakota. **On March 11, 2005, 9:15 AM, SNR heard in the Fort Lincoln Room.**

The bills that I will be following at this coming week of Mar 14 thru Mar 18, 05 will be:

**HB 1196** – (Reps. Nelson, Delmore, Weisz; Sens. Christmann, Heitkamp) - Relating to all-terrain vehicles registered as motorcycles; relating to the operation of all-terrain vehicles; and to provide a penalty. Senate Transportation heard this bill on Thurs, Feb 24, 05 in the Lewis and Clark Room. **I didn't testify on this bill, but I feel that if you have an ATV that you should contact your Senator and ask them to support this bill. The committee has not taken a vote on this bill. The Senators that I have talked with have not been contacted to vote one way or the other on this bill. The bill will not have everything in it that was wanted, but at least it is a good starting point and can be amended in the future sessions. Please Contact and encourage the passage of HB 1196. On March 11, 2005, STC, Do-Not Pass, Yeas 6, Nays 0**

**SB 2141** – Would amend the North Dakota Century Code by revising the boating under influence law. House Transportation Committee heard this bill on Friday, Feb 25, 05 at 9:00 AM in the Fort Totten Room. **The result of my inquiry is that we will be supporting this bill. I testified in support of the bill in behalf of the NDSFC and this bill has not come out of committee yet. The House committee members asked a lot of questions on this bill, so it would wish to call you representatives and ask them to support SB 2141. There has never been a BWI issued to a fisherman, so the fishermen are not the problem.**

**SB 2294** – Increases bait vendor fees and requires equipment tags. Relating to license fees for nonresident wholesale bait vendor licenses; relating to the regulation and licensing of wholesale bait vendors. House Natural Resources Committee heard this bill on Feb 25, 05 in the Pioneer Room at 10:00 AM. **On March 10, 05, House- Do-Pass Yeas 77 Nays 13**

**SB 2338** – (Sens. Traynor, Tollefson, Wardner; Reps. Nelson, Porter) - Would establish a management plan for prevention and control of aquatic nuisance species. **On March 10, 2005, House - Do-Pass, Yeas 88 Nays 2—Sent back to Senate with amendment.**

**SCR 4026** – (Sens. Warner, Freborg, Lyson; Reps. Charging, Onstad) A concurrent resolution urging Congress to enact legislation to address the adverse economic impact on businesses and the economic health of North Dakota caused by the low water levels of the federally managed reservoirs on the Missouri River in North Dakota. **On March 10, 2005, 3:30 PM, HNR- Do-Pass, Yeas 13, Nays 0**

**HCR 3019** – (Reps. Froelich, Brandenburg, Kerzman, Kretschmar; Sens. Erbele, Krauter)- A concurrent resolution urging the United States Army Corps of Engineers to retain sufficient water in the upper portion of Lake Oahe to ensure a stable water supply for the residents of water in the upper portion of Lake Oahe to ensure a stable water supply for the residents of the Standing Rock Indian Reservation and surrounding communities and urging the Governor and the Attorney General to take appropriate action to ensure federal officials retain sufficient water in the upper portion of Lake Oahe to protect the health and well-being of the citizens of the area. **On March 10, 2005, 11:45 AM, SNR – Do- pass, Yeas 6, Nays 0**

**HCR 3026** – (Reps. Onstad, Delzer, Drovdal; Sens. Heitkamp, Lyson) - A concurrent resolution urging the United States Army Corps of Engineers to maintain the level of Lake Sakakawea at a minimum elevation of 1,825 feet mean sea level. **On March 11, 2005, 9:00 AM, SNR heard in the Fort Lincoln Room.**

**HCR 3027** – (Reps. S. Meyer, Haas, Kerzman, Onstad; Sens. Krauter, Wardner) A concurrent resolution urging the United States Army Corps of Engineers to retain sufficient water in the upper portion of Lake Sakakawea to ensure a stable water supply for the Southwest Pipeline Project and the 26 communities and 3,000 farms and ranches that receive water from the Southwest Pipeline Project and urging the Governor and the Attorney General to take appropriate action to ensure federal officials retain sufficient water in Lake Sakakawea to protect the health and well-being of the citizens of southwest North Dakota. **On March 11, 2005, 9:15 AM, SNR heard in the Fort Lincoln Room.**

Contact your local legislators and urge them to support the above bills and concurrent resolutions. Feel free to sit in on the hearings.

- If you have any concerns, please feel free to contact me. I can be reached at 701.351.0260 or by email at [duaine\\_ash@yahoo.com](mailto:duaine_ash@yahoo.com) during this legislative session.
