PRESIDENTS CORNER

Spring is here!! March has always been a special month for me because it is the transition month, from winter to spring. It signals open water fishing and camping are just around the corner. And not a minute too soon. I’m ready.

The Membership Steak Fry/Social January 18th was a lot of fun as always. Thank you Dick & Jim for organizing the event. Check out their article.

The Take-a-Kid Breakfast Fundraiser January 21st at the Bismarck Moose was delicious and successful. I understand there were 5 other worthy benefits that day, causing our numbers to be a little weaker than expected. All in all, a good event. Great job Paul.

The weather took a nice turn for the Ice Fishing Extravaganza February 17 at the Totten Trail. I couldn’t make it this year due to a family event. I heard it went very well. Thanks Bryan. See Bryan’s event summary inside.

At the General Membership meeting March 6th our Constitution was amended and elections were held for 2007 Officers and Board members. Congratulations to the successful candidates and thank you for your willingness to serve your club.

As your thoughts turn to boating, please read the article inside on a Boat & Water Safety Course the Club is hosting. Whether you’ve never taken this course before or just a refresher, please join us.

The NDSFC Smoker is April 14th at the Mandan Eagles Club. See the article inside for details & ticket information. We extend a huge thank you to Duaine Ash for your time and efforts representing us at the ND legislature this session.

I’m sorry to report two loyal Reel & Rec members; Mel Samuelson and Russ Becher have passed away. Our condolences to their family and friends.

Enclosed in this newsletter you’ll find an application for our 26th Annual Walleye Derby. Inside you’ll also find an article detailing some of the changes for 2007.

This year the fishing is going to be terrific on the Missouri, Oahe in particular. There are several strong age classes of Walleye in the 18” to 22” range. As an added bonus, the Smallmouth Bass are showing up in our area in ever increasing numbers. I am so looking forward to it.

We are again cautiously optimistic regarding the spring runoff. The most recent estimates are that snowpack is 84% of average. Let’s pray for spring moisture.

Wear your Club Logo with pride.

The Membership Appreciation Steak Fry & Social held January 18th 2007 at the VFW Club was again a successful program and we are looking forward to next year's event. There were a few problems, such as distribution of dinner tickets, final count of members attending, and getting the dinners served in a faster and more orderly fashion. RSVP is so important. We planned for 135 people and 160 people showed up. Thank you to the staff of the VFW Club for the use of Mel Olson Hall and Veteran's Dining Room. A special thank you for setting up additional tables for our overflow crowd. I must say, the dinner was very good and the Chinese auction was a huge success with many happy winners. A big Reel & Rec thank you goes out to the following businesses:
